ADENDUM TO VENDOR APPLICATION

Noted in this addendum are items of importance that must be followed for all vendors at the 56th Annual Phoenix Scottish Games.

- The City of Phoenix Parks Department marks all of the irrigation lines under the field with white painted lines. These are “NO STAKE” areas. Stakes cannot be driven into the ground within 10 feet of these white lines. If any part of your designated spot falls on a white line where you need to drive in a stake to secure your tent/ display, please let the Vendor Chair know as soon as possible and we will provide you with sand bags at no cost to you. These are 40lb bags. We will supply you with 2 bags for each stake point. **If you stake on a white line and there is resulting damage to the water line buried below, you will be held responsible for the cost of the repair. This can cost \$6,000 or more.**
- **You are responsible to dispose of your trash.** We supply two 40 yard roll off containers that are located in the 7th St lot where your parking pass allows you to park. If you leave your trash in the area of your spot after the event for our volunteers to clean up your deposit will be forfeited.
- **Soda and water sold by any vendor must be purchased from the Caledonian Society per the vendor agreement you have signed.** Merchandise vendors are not allowed to sell any food or beverage item without written permission form the Games Chairperson. Obvious exceptions are those specifically selling prepared food items. Any food vendor found to be selling soda and water not purchased from the CSA will be asked to stop selling that product immediately. If there is a second occurrence you will be asked to close down sales and remove your tent/ trailer/ display at the close of that day’s event.
- Any merchandise vendor found to be selling food or beverage items not specific to their contract will be asked to stop selling the items. A second occurrence will be cause to ask the vendor to close down sales and remove your tent/ trailer/ display at the close of that day’s event.
- **The fire lane in the Vendor parking lot must remain clear.** The fire lane will be marked but orange cones. Any vehicle parked in the designated fire lane will removed at the owner’s expense after an initial attempt to locate the owner. For this reason, be sure that your phone number is on your parking pass.
